A Family History

The Martello Family has been operating Marconi's Restaurant for more than five decades. Opened in 1963 by Salvatore and Angela Martello, the restaurant started as a breakfast, lunch and dinner operation, located across the street from its present location.

The restaurant is still run by Salvatore and Angela's son Carlo and his wife Kimberly. Together they prepare from scratch the daily features as well as the sauces that have become the staple of the restaurant's success.

We guarantee we use only the freshest produce, finest Imported cheeses and meats, USDA certified Angus Beef, fresh fish and finest herbs and spices available in the preparation of our entrees.
